### The Four Phases of Project Management

The "HBR Guide to Project Management" will help you: (1) Build a strong, focused team, (2) Break major objectives into manageable tasks, (3) Create a schedule that keeps all the moving parts under control, (4) Monitor progress toward your goals, (5) Manage stakeholders' expectations, and (6) Wrap up your project and gauge its success.

### HBR Guide to Project Management - Harvard Business Review

This was a great primer and one of the better things that I've read on Project Management so far. As it should be considering that it's published by the Harvard Business Review and it was more expensive than I would ever normally like to spend on a book. That said, I think that this is better for beginners than any other book that I've come across.
